

They say 'Marriages are made in Heaven'...
So why not make it an exotic lifetime affair?

we make it possible !

Wedding...

It is said that marriages are made in heaven and celebrated on earth. The popular belief is true to many extent, because it is a special bond shared between two souls, who tie the wedding knot after promising to be companions for a lifetime. It is the physical, mental and spiritual unison of two souls. It brings significant stability and substance to human relationships, which is otherwise incomplete. It plays a crucial role in transferring the culture and civilization from one generation to the other, so that the human race is prospered.

They say “Marriages are made in Heaven” and we say “Marriages are planned on Earth”
